III – Business Summary

The Inline Group, a dba of C2P Group, LLC is a unique candidate sourcing company dedicated to radically improving the way you find healthcare professionals. C2P Group, LLC originally founded in 2002, began as a retained recruiting firm. After learning that the best recruiters for any facility are typically the internal recruiters at that facility, we took our knowledge and evolved The Inline Group into a premier recruitment support organization.

We take the tedium out of the recruitment process by eliminating internet searching, cold calling, and scanning through stacks of CVs and Resumes that do not meet your criteria. *We match candidates to your opportunity based on Geography, Practice Setting, Skill Set, and Timing.* Leaving you time to interview and recruit quality candidates.

With **no placement fees**, we offer our support on a month-to-month basis, with NO LONG-TERM CONTRACT required. *We find you pre-qualified candidates for ALL open positions for ONE low monthly fee.* Once your staffing needs are met, you can put us on hold or quit all together. It is that simple. Frequently our service eliminates your need to pay for database services and/or internet service monthly subscription fees.

The Inline Group, a dba of C2P Group, LLC is offering our service to GSA to support those in the role of staffing medical professionals for GSA hospitals and organizations. Inline can assist with physicians, mid-level providers allied and nursing providers.

A single monthly fee regardless of number of specialties and no placement fees, ever!
